New Member Unlicensed Affidavit

We, the undersigned Designated REALTOR® and Applicant, understand that if Applicant's license has not been activated by the Tennessee Real Estate Commission (TREC) as of the date of orientation for the Knoxville Area Association of REALTORS® (KAAR) that I will not receive any continuing education credits (CE) for those classes required for membership.

Further, we fully admit that this has been disclosed to me verbally by the KAAR or has been disclosed in writing on the Association's web site.

Further, it is fully understood that the Applicant will not be issued paperwork for obtaining a lock box key until such time proof of licensure is produced. Designated REALTORS® and Applicants are reminded that absolutely no real estate business, including showing property or writing offers, can be done until the TREC has posted an active license status on the TREC web site.

Note: No application will be accepted by KAAR Staff for non-active licensee applicants without this document that has been signed and dated by both the Designated REALTOR® and the Applicant.
