2018 COMMITTEES

WHY JOIN A KAAR COMMITTEE?

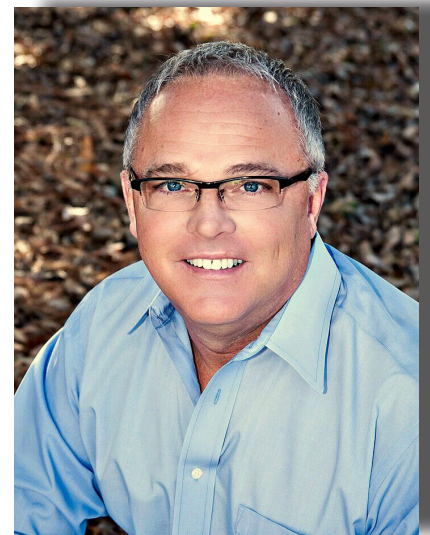

"The heart of KAAR is the work our committees do every month to ensure our presence in the larger KAAR community, as well as championing the initiatives that impact our membership's ability to progress and find success in their business."

- Shannon Foster-Boline, KAAR Director

"Serving on committees & the Board of Directors allows me to not only be more involved in our association, but in my day-to-day business as well. With so many new members joining, it's difficult to meet everyone. Serving our association opens up an avenue to do so."

- Major Ward, KAAR Director
